BECOME A PASSION SPAS PARTNER

The easiest spas to sell. At the best margin.

We believe Passion Spas has the finest sales system in the world for selling spas. More than 50 models and a presentation full of unique features speak to every buying motive. Whatever brings a customer into your store, you always have the right story.

12,000
spas sold worldwide every year

1,500
spas a year in our own showroom in the Netherlands

1,000+
spas in stock in Uddel, the Netherlands

35+
years of experience in spa retail

Why partners choose Passion Spas

A spa for every customer

More than 50 models in the Pure, Modern, Signature and Exclusive collections, plus swim spas for sport and fitness. Every buying motive, every budget.

Easy to learn, easy to sell

Our programme teaches your team to present 50 spas in one day. We train your salespeople with the experience of our own showroom, which we proudly call the world's largest spa showroom.

More sales, better margin

Unique features your customers will only find with you. So you sell on value, the way it should be.

Stock you can see

In the Passion Partners portal you see live stock per model and colour, the containers on their way and your own price list. Order 24/7, in your own language.

Fast, from Europe

1,000+ spas in stock in Uddel, the Netherlands. Collect or have them delivered, or fill a full container straight from the factory.

With you for the long run

Original parts, product support for as long as your customer owns the spa, and 35+ years of experience behind every Passion Spas.

If you place 10, you can sell 100.

A good partner sells 10 spas per showroom model. The best partners sell 20. We show you how.

Six reasons your customers say yes

PLEASING MASSAGE

Massage that makes the difference

Soft Tissue Massage, Lumbar Support and Aquarolling, developed with physiotherapists. River Swim System in our swim spas.

PLANET FRIENDLY

Low running costs

Hybrid Heating, three layers of insulation and a heavy-duty cover keep energy use low, all year round.

PERFECT WATER

Clear water, little effort

100% water filtration, ozone and the Synergy water care system. Your customer simply enjoys.

PROFESSIONAL DESIGN

A spa to be proud of

Surrounding LED lights, waterfalls, the sleek lines of the Modern collection and Bluetooth sound.

PRECISION MADE

Built to last

A laminated acrylic shell, an All-Weather framework that stays strong in moist conditions and an Everlasting bottom.

PROTECTION FOR YOU

A brand that stays

The Protection Plan: the assurance of a strong brand and a company with 35+ years in spas.

Passion Partners: your own portal

- Live stock per model and colour, with the arrival date of what is on its way
- Your own partner price list and all product documentation
- Reserve with a 30% deposit; the rest follows when your spa arrives
- Build a full container that ships straight from the factory to you
- Follow every order under My spas
- In English, French, German, Italian and Dutch

Become a partner in three steps

1. **Meet us**
   At our stand in Lyon, or in our showroom in Uddel, the Netherlands.
2. **Choose your showroom**
   We help you pick the models that fit your market and your customers.
3. **Learn and sell**
   We train your team, and you order online in Passion Partners from day one.
